ORDER:

NITI Aayog has launched State Support Mission (SSM) with primary objective to establish State Institutes for Transformation (SIT) or re-imagine the role of existing State Planning Departments and Boards which can work towards promoting socio-economic transformation of States. It offers technical and financial support to the States for strengthening of their capacity to conceptualise, structure and implement key initiatives that can transform the socio-economic landscape.

2. As better governance and stronger institutions are crucial to achieve high and inclusive growth in the States, Andhra Pradesh State has craved to implement State Support Mission in the State and expressed keenness to NITI Aayog.

3. Objectives of State Institutes for Transformation (SIT):

- With the aspiration of becoming a Vikasit Andhra Pradesh by 2047,SIT is intended to be proactive in its role to bring together all stakeholders for the development of a shared vision of State level priorities and strategies in critical areas of socio-economic development.
- To play a crucial role in galvanizing partnerships, resources, ideas and synergies to drive inclusive growth.
- SIT shall eventually be all-encompassing resource centre which will design strategic and development strategies and implement them with a vision of achieving medium term SDGs 2030 and a long-term vision of AP @2047.
- To identify key growth drivers and enablers and leverage them to boost economic growth.
- To strengthen the Monitoring & Evaluation ecosystem and data analytical systems for evidence –based decision making.
